***** ship this portion together with your logic board ****

***** do not ship this portion, this is for your information only *****

Instructions:

1. Backup your data (contacts, photos, apps, music etc.) before sending your logic board for repair.
2. Disable any passcode lock.
3. Use good packing materials such as bubble wrap.
4. Declare it as "broken phone mainboard" with a value of under USD50.00. The cheaper you declare, the less likely you need to pay customs tax.
5. Use insured shipping that can be tracked online whenever possible.
6. Ship it to the following address:

Richard Kerr
Beijing Shunyi Guoji Xuexiao
No. 10 An Hua Jie
Shunyi District, Beijing
101318 CHINA

Kindly note that we do not accept fully assembled iPhone! You MUST ship the logic board only.
